

Announcement of the Intention for Honesty

Preventing and suppressing corruption is one of the important policies of the government and considered as an urgent agenda of the country. It is defined in the 20-Year National Strategy (2017 - 2036), which lead to set the Twelfth National Economic and Social Development Plan (2017 - 2021) and The National Anti-Corruption Strategy Phase 3 (2017 - 2021), including management in the government sectors to prevent corruption and misconduct, and promote good governance in the Thai society.

As the Director of The Comptroller General's Department, I aware and behold the importance of such matters. I hereby declare the management and the carry out of the mission with honesty, integrity, righteousness, transparency, and anti-corruption. Practicing and maintaining with honor and dignity of being a civil servant, making a right decision to solve the problem, adhering to the values of The Comptroller General's Department of "Honest, transparent, service-minded, fiscal disciplined, alliance assembly and developing-minded" including adaptation the philosophy of Sufficiency Economy and the Royal speech of His Majesty King Bhumibol Adulyadej as a way to live.

Therefore, I request officials of The Comptroller General's Department to adhere to this principle and always keep in mind that "honesty" is the core value of the officials of the Comptroller General's Department. Also, to administer the government duty with transparency, accountability, and to reduce the risk of corruption and misconduct, I shall set policy as guidelines as follows:

1. Transparency: emphasizing and providing the channel for the stakeholders to participate and involve in verifying work performance, disclosure procurement data including the relevant data and also proceed an appeal on the basis of rightness and righteous.

2. Accountability: Comply with applicable laws and regulations, responsible for decision making and management.

3. Anti - Corruption: Work is based on honest and moral standards. Job position which facilitate benefits or an attempt to bribe is prohibited, furthermore, adhere to and follow morality, ethics and values.

4. Organizational Culture: Heading to be a moral organization by building anti - corruption culture and proceeding preventive justice.

5. Virtue in Organization: Following the standards/ technical manuals which is based on principles of the rightness and fairness. Also, focusing on Governance and Human Resource Management in a systematic way by having moral and ethics in mind. A systematic approach to budget execution which will be based on the basis of transparency and accountability.

6. Communication within the organization: Focusing on employee participation and employee are allowed to communicate regularly for better coordination on the basis of efficiency, morality and transparency as policy stated above.

(Ms. Suttirat Rattanachot)

Director General
